Tahoe Child Dies In Tragic Mishap When Hit By Car

Eight Injured In Headon At Spot When Fatal Car Crash Occurred

Tragedy struck the home of Mr. and Mrs. Robert McLane of Tahoma at 4:35 P.M. Tuesday when their six year old daughter, Carrolin was struck and fatally injured by a car while walking on the highway near her home.

The car was driven by Hiroshi Terasawa, 46, employed by a confectionary concern at Los Angeles. Terasawa, accompanied by three passengers in his car, told Sergeant Frank Snyder and Patrolman T. F. Sheehan that he was driving between 20 and 25 miles an hour in the heavy traffic in a 35-mile zone and did not see the child and did not know she had been hit until so advised.

Carrolin and her young brother had been to the store at Tahoma to get ice cream cones and were returning home when the accident occurred.

The body was taken to Colfax by Coroner Francis West of Placer County and funeral arrangements are pending.

The entire community was saddened and shocked by the tragedy.

Rev. Wesley Osman will conduct services at the Tahoe City Cemetery Friday at 2 p.m. The Truckee Colonial Mortuary is in charge of arrangements.

Three of the four automobile accidents reported by the California Highway Patrol during the past weekend, occured at almost identical spots where three fatalities were recorded during the past three weeks.

A headon collision seven miles east of here Sunday morning at 3:20 and which sent eight people to the Tahoe Forest Hospital occurred within 100 feet of where Wayne Ellis Waters, 26, Vacaville, was killed when a car failed to make a turn and was wrecked three weeks ago.

The accident Sunday was blamed on George R. Kitchen, 19, Buccanan, West Virginia, who was cited by Patrolman William Gautsche for making a bad pass after his car collided headon with one driven by Donald R. Burtner, 29, Grass Valley. Kitchen was attempting to pass a truck driven by Ralph Mizelle, Jasksonville, Florida, on the crest of a hill, Gautsche said.

The truck was damaged but the driver unhurt. Taken to the Tahoe Forest Hospital by Truckee Ambulance were Kitchen, alone in his car, and Burtner, Florence and Royal Penner, Joyce, Alfred and Mary Silva and Blanche Burtner, all in the Grass Valley car.

Car Overturns

At almost the same place where Mrs. Fred Humiston of Carnelian Bay was killed last week, a car driven by Charles E. Collard, 27, Auburn, got out of control and overturned injuring the driver and Mark Reeder, 22. The driver was cited by Patrolman Roy Stallard for speeding.

Cars Collide

Within eight feet of where A. G. Siebenalar, 57, Anaconda, Montana, was killed last week at the approach of the eastern twin bridge at Boca, cars driven by Albert Stephenson, 65 Oakland and Harry A. Levenson, 41, Sherman Oaks, collided. No one was injured but Stephenson was cited by Patrolman Stallard for being on the wrong side of the highway.

Summit Mishap

Cars driven by Harold Freeman, Oakland, and Joseph W. Lee, Berkeley collided Saturday at 11:15 p.m. just east of Soda Springs. Lee was cited by Patrolman Martin Sturcke for being on the wrong side of the highway. No one was hurt.

Back Broken

Mark Reeder, 21, Sacramento was treated at the hospital for injuries received Sunday when a car in which he was riding swerved to avoid striking a deer near Carnelian Bay and overturned. Others in the car were the owner, Theodore Rohl of Auburn and Robert and Charles Collard of Bowman. Reeder is said to have a broken back.

INCREASE IN COUNTY TAX FOR YEAR SEEN

Despite making cuts wherever possible, there is very likely to be an increase of at least 5 cents per $100 assessed valuation in the Nevada County tax rate.

The board meets today and it is possible, Supervisor H. G. Loehr declared, that the rate can be fixed at that time. It will be set not later than August 20, he said.

VISITOR SUCCUMBS AT SUMMIT HOME

Mrs. Eleanor Nellis Straight, who for three weeks had been living at Kingvale with her niece and husband, Mr. and Mrs. H. J. Lane expired Sunday and her body was taken to East Lawn at Sacramento by the Truckee Colonial Mortuary.

Mrs. Straight had spent most of her life in Sacramento and Marysville. She was 83 years of age.

County Fair Opens Next Week, Locals To Have Exhibits

The 14th annual Nevada County Fair will open its gates August 23 through 26 at Grass Valley and Director James Sherritt, eastern county representative on the board, is extending an invitation to local people to participate.

"Because of our location in the eastern end of the county where our ideas are geared to an economy of summer and winter recreation, to transcontinental tourist trade, the all-important lumbering industry and our thinking of the Winter Olympics— from all these we have a tendency to lose sight of the imense wealth our country has to show at a fair of this kind," Sherritt declared.

Sherritt, who has worked diligently as a board member in an effort to create more local interest in the county fair, has announced that at least two local exhibits will be on display at the show. These two are the Tahoe Forest Hospital and Soda Springs Ski Corporation. Others are possible, he added.

Sherritt pointed out that district fairs are supported by the parimutual state act of 1937, financed by a 2¼ cents taken from the 5½ cents sales tax on every racing dollar wagered. This gives the Nevada County fair an operating budget of $63,291 for the fiscal year.

The local director said the 75 acres of land owned by the district is valued at $28,496 and that the improvements are valued at $435,242, the main building costing $122,594. It was 47 exhibit booths averaging 10 by 10 feet in area.

The home economics building, Sherritt said, cost $43,019 while the grandstand is valued at $33,220 and seats 4,500 people.

Sherritt urges local participants since, he points out, the fair is for all the county and offers an opportunity for local displays promoting our various assets.

The number of participating exhibitors in 1955— all classes, were 445 separate exhibits. The number of cattle shown were 334 and there were 40 sheep entered; 6 hogs and 23 goats. All livestock, numerous chickens and rabbits— were sponsored by 4-H groups.

Exhibitors in all classes, that of agriculture, horticulture, home economics, minerals, industrial and commercial exhibits, etc, will compete in their class for a total premium valuation of $15,011.50.

TWO PARCELS WILL BE SOLD BY LOCAL UTILITY DISTRICT

The Truckee Public Utility District is offering for sale eight acres of land adjoining the Brockway shortcut just south of Truckee and 30 acres of land on the north side of U. S. Highway 40 back of the state's quarantine station.

The offer expires August 30 and any bids received are subject to the approval of the directors and will accept "any offer which in their judgement would result in the best and most advantageous returns to the district."

Further particulars may be obtained from the office of the district.

Bruce King Honored At 7th Birthday Party Here

An outdoor party was given last Friday at the home of Dr. and Mrs. Ben King to celebrate the 7th birth date of their son, Bruce.

Games were played, followed by delicious refreshments and shared by the following friends of the young honoree: Ken Bretthauer, Gary, Billy and Barry Waters, Skippy Close, Lennie Vind, Doug Nelson, Ronnie Walker, Don Whiteneck, David Capel, Gail Englehart, Karen Hedlund, Susan Olano, Diane Pankoke, Pamela Horman, Kathy Braasch, Ben, Jean and Ele King.

REID ANNOUNCES NEW BUILDING SERVICES

Rex Reid, owner and manager of the Builders Service Center at Donner Lake announces the opening of his new millwork and cabinet shop for all building needs.

The local contractor has also announced he is the agent for the Ready-Mix Concrete Company and is equipped to supply block, bricks and tile for all types of building.

School Officials Study Need For Enlarging Plants

Junior College Question To Be Discussed In Meet At Auburn

A discussion relative to an expected increase in the population of the district and its effect upon the schools featured the meeting of the governing board of the Tahoe Truckee Unified School District last Tuesday.

It was brought out by Reg Smart, board president, that the forthcoming 1960 Winter Olympic games will result in a big influx of new residents and that the elementary school in particular may be overcrowded unless building plans are made. Enlargement of the Kings Beach school currently is a necessity regardless of the expected increase in enrollment, it was declared.

The board approved the tentative budget calling for an expenditure of $610,364 for the fiscal year 1956-57. No one appeared to protest or approve the budget as previously announced.

The board also discussed briefly the proposed junior collgee situation but did not take action. A meeting to be attended by Superintendent John Corbin and members of the board will be held at Auburn next Tuesday to further study the proposal.

The matter of transporting pupils from the Lake Spaulding area to the Donner Trail school was in for more discussion following a letter from the Nevada City board concerning the increase in costs. The board decided its initial action in fixing the cost to meet the increase was necessary and so advised the Nevada City board.

The Nevada City board meets Monday to determine whether the Lake Spaulding students shall be sent to Donner Trail or Nevada City for classes.

Attending the meeting were Smart, Herbert Obexer, Jack Felte, Byron Miller, with Fred Pedley being absent.

Truckee Loses To Colfax Here 11-3

Suffering from a shortage of regulars, the Truckee Athletic Club's baseball team took a trouncing from the Colfax Fireballs Sunday in the local park 11 to 3.

Manager Al Wakefield said that some of his regular players were unable to be present Sunday and he is hopeful that the full string can be ready for the next game but that in event it cannot be secured, there may be no more contests this summer

Louis Goicoa pitched Sunday but was not in his usual good form and the visitors pounded him for 19 hits while his teammates chalked up 11 against Fontana. View, Garcia and Clark each got two hits. Errors failed to add to the chance of the locals.

Truckee has won four and lost six games this summer and the team is entitled to a lot of credit for its effort in keeping the sport alive.

Charles Osburns Will Visit New Granddaughter

Mr. and Mrs. Charles Osburn plan to go to Red Bluff this weekend to see their granddaughter, born there Saturday, August 11 to Mr. and Mrs. Jack Thomas. Mrs. Thomas is the former Miss Marjorie Osburn and is well known here where she attended school. When the Osburns received the glad tidings the little girl had not been named.

OVER-DOSE OF PILLS HELD DEATH CAUSE

The body of Mrs. Bernan McDermott, 46, San Mateo was taken to that city Saturday by the Truckee Colonial Mortuary for services.

Mrs. McDermott, a summer resident at Donner Lake expired Saturday after leaving a suicide note and taking an overdose of sleeping pills. She was despondent, officers said, because of the death of her daughter a year ago. She is survived by her husband, Verne.

SUNBEAMS

By WALTER M. BARRETT

The loss of the nine electroliers along the main street makes a rather dimmed view in Truckee's "little white way" and while the scores of neons keep the street lighted to an extent which surpasses most towns, there is still a place for the electroliers and we sincerely hope that they can be replaced in the near future by modern designed lights to again make Truckee the bright spot in the Sierra. Removal of poles along the streets which have defaced the thoroughfares can be welcomed as a benefit, but the loss of the nine lights is very likely to offset this. We hope a progressive drive will be made to supplant the old with the new so that Truckee can shine again.

We are now advised, after months of work and the expenditure of thousands of dollars, that the opening of the Emerald Bay road has been set back another couple of months. It becomes more and more evident that the lateral will not be opened this year and that with heavy winter storms almost a certainty, there is not too much hope that the work done can be salvaged for next year's start. It also becomes quite apparent that the futile project is costing taxpayers a heap of money from which they can expect no return, either in "scenic beauty" or highway usage. The unsightly scar being created on the side of the mountain will likely stand as a monument to the division of beaches and parks for many years to come. How much more beautiful and in keeping with the natural beauty of the region would be a picturesque bridge and hwo much more sensible as a modern thoroughfare.

DEAD DEER IN DOOR DEFIES DETECTION

Who put the dead doe in the hallway of the Jerry Zunino apartment building a week ago on Monday? This question apparently goes unsolved by authorities.

Tenants of the building who attempted to enter their home were confronted with the demised animal sprawled on the inner steps evidently laid there by the parties responsible for the woodland creature's death.

It's head was badly battered, indicating that it had been dealt a severe blow, probably by an automobile. The guilty persons may have wanted to avoid going through the local quarantine station with the unlawful meat or may have thought it a grisly prank.

Ervin Single, game warden was called to dispose of the deer.

KNOEFLERS LEAVE TO TAKE TURLOCK POST

Mr. and Mrs. Daryl Knoefler and their two daughters, Sue and Karen, left Friday for Turlock where the former will be in charge of the Turlock Lake State Park. He will be succeeded here by Clyde Strickler of San Diego County who is expected to arrive with his wife and four children to take over management of the Donner Memorial State Park in the immediate future.

Knoefler had been in charge of the local park for the past seven years during which time considerable improvements have been made in installations, camp sites and other facilities.

The community regrets the loss of the Knoefler family. The transfers were made due to grades in personnel, a departmental procedure.

BOYSEN PAINT SALE TO END SATURDAY

KINGS BEACH— Saturday marks the final day for the one cent sale being featured on Boysen paint at the Tahoe Sportsman. An ad on another page of the Sierra Sun today gives details but in brief the company is offering a full quart of wall paint for one cent with the purchase of the first quart at the regular price.

Utility District Did $118,444 Business During Past Year

Report Shows Big Gain In Business Of Truckee Utility District

From a gross income of $118,444.30, from the electric and water departments during the fiscal year ended June 30, the Truckee Public Utility District realized a profit of $3,263.60.

This is shown by the annual report recently completed by Harry M. Straine and Sons of Sacramento.

The electric department's total income for the year was $97,213 while the water department showed an income of $20,573.60.

A large percentage of the income from the electric department was expended for electric energy, which cost $49,536.21. Other major expenditures included were office and executive salaries, $11,285.50; office suplies and expenses, $4,361.26; legal and audit fees, $1,375. Other items of expense will be found in a report on another page of the Sierra Sun.

The water department, which wound up the year with a net revenue of $1,215.12, had as its biggest expense repairs and replacements, $4,646.04 being charged off for this item. Other costs included power, $1,688.56; miscellaneous, $969.59; auto expense, $868.07. Depreciation amounted to $10,578.47, the report indicates.

Total assets of the district were listed at $191,373.88, including pole and line equipment; transformers, service installations, meters, office and store equipment, sub-station equipment, street lighting, warehouse and auto equipment.

A comparison of cash on deposit showed that on June 30, 1955 there was $3,549.16 and on June 30, 1956, $17,870.61.

The report indicates the business transactions and records of the district have been handled in a businesslike manner.

Incumbents Seek Sanitary Offices

The two incumbents, Robert W. Siebold and William Curran are the only candidates filed for the Truckee District board of governors at the election to be held September 17th.

The election will be held at the office of the justice court between 1 and 7 p.m., J. J. McGlade, secretary of the board, has announced.

At their meeting last week, the board made inquires relative to the disposition of a petition recently signed by nearly all the property owners at Gateway Park Subdivision No. 1 asking to be annexed to the district for sewer facility pur- Squaw Valley Sheep Camp, which tition has been turned over to T. T. Chamberlain, attorney for the district but has never been presented to the board for consideration.

McGlade was instructed by the board to secure the petition after certain discrepancies in boundaries have been corrected, so that action can be taken to get the annexation started.

ROBERT BOYERS OF TAHOE HAVE SON

Mr. and Mrs. Robert Boyer of Tahoe City are parents of a baby son, Kurt, born Sunday at 7:30 a.m. at the Tahoe Forest Hospital. Kurt weighed five pounds and one ounce and is doing fine. Dr. L. D. Nelson was in attendance.

The Boyers have another small son.

SHOTS AT OFFICE BRING OUT POLICE

Deputies Roy Waters and Emery Lander were called to the state highway barn Saturday morning at 12:45 when William Fordham, a state highway employe, called and reported two shots had been fired.

The officers discovered a hole under the fence and as they approached a figure leaped up and ran into the brush. A bullet hole in an office window was discovered but no other damage was caused.

The reason for the shots and who fired them is still a mystery.

PATRONIZE LOCAL STORES

Travel Sets Record As Truckee High As Point Of Entry

Travel into California over Highway 40 through Truckee set a new all-time high for any single month during July when 86,167 vehicles, including 81,421 cars, 3,880 trucks and 866 buses, carrying 268,563 passengers, were checked at the department of agriculture's quarantine station here.

The auto total compares with 79,130 for July, 1955 and with 60,888 for June.

Only one border station— Yermo with 87,640 cars— was ahead of the Truckee station during July, most of the other 15 stations reporting much less than half the local figure.

The Meyers station on Highway 50 at Lake Tahoe reported 29,136 cars, compared to 28,025 for July, 1955 and 22,331 for June.

Woodfords held the low mark for last month with 2,330 cars checked into the state there.

BOLD LION COMES TO TO EDGE OF TOWN IN SEARCH OF FOOD

Oscar Schumacher reported that a number of residents living across the bridge at Truckee were awakened at midnight Saturday by the prolonged and peircing screams of a mountain lion which evidently visited civilization in search of food.

Schumacher said that lights in the homes throughout the neighborhood flashed on when the wails of the forest animal were heard, many believing at first that a woman was screaming.

In the morning Schumacher and a friend made a survey of the surroundings, revealing the tracks of the animal in a wide circle, including the area where Lloyd Van Sickle has horses and dogs housed.

NEW HOTEL MAY BE READY NEXT MONTH

Paul R. Wierdsma of Sacramento, owner of the former Southern Pacific Hotel, now in the process of being moved to its new location on Bridge street, predicted this week that the remaining two sections will be in place and the hotel ready for operation during September.

Wierdsma said he will not remain in Truckee to operate the establishment but will have an associate in charge. It is proposed to redecorate the huge building and modernize it as much as possible.

One costly accident occurred recently when an axle on the moving equipment broke, allowing a section of the two-story building to fall and get out of plumb. Carpenters and other craftsmen are putting the sections together as they are moved piece by piece.

ANNUAL LIONS GOLF TOURNEY NEXT WEEK

The annual one-club golf tournament of the Truckee Lions Club will be held next Wednesday starting at 1 p.m. at the Tahoe Golf Course. Frank Gaiennie, tournament chairman announced at last night's meeting of the club at Donner Lake Lodge.

Visitors at the meeting last night were Ed Wallace of South Tahoe, Sandy Cooper of Palm Springs, Ivan Tafft of Lincoln and William Nelson of Selma. Roy Waters presided at the meeting.

MANY PATIENTS AT TRUCKEE HOSPITAL

The Tahoe Forest Hospital was doing a whale of a business this week as the 20-bed institution was caring for more than 25 patients.

Among the patients are William J. Lovely of St. Louis, a tourist who is recovering from a pneumonia attack; Doris Adkins of Richmond, Va., who broke her collar bone in a mishap at Squaw Valley; Richard Miller, a telephone company employe whose left leg was fractured when he was pinned against a stump by a caterpillar; Mrs. Paul Capel, of Truckee, who underwent minor surgery; Loraine Imhoff of Big Chief who is recovering from a foot infection and Mrs. Chapslur Durgin of Fontana who broke her ankle when she slipped on a rock.

Tahoe Group Hits Delays In Opening Emerald Bay Road

Bridge Would Add Beauty To Area, Supporters Of Span Say

TAHOE CITY— A meeting of the Tahoe City Improvement Association was held in the Community Center August 9 with President Dr. S. M. Dingwall presiding. The time was largely devoted to the discussion of the Emerald Bay highway situation, which has already proved a detriment to summer business in this region and seems to be growing more serious as time goes by. It was stated at the meeting that reports indicate the bay road will not be opened again this year, as very little impression has been made so far on the massive slide, by highway equipment which has been working steadily there for about two months.

The great majority of the Tahoe region residents are definitely in favor of abandoning reconstruction of the high-level, slide-ridden road for the safer, more practical, less expensive and vastly more beautiful highway bridging the mouth of the bay. At every meeting held here this summer resort owners and residents of the region have expressed this preference.

At Thursday night's meeting C. W. Vernon of this city presented a letter from Newton Drury, chief of the division of beaches and parks, which he received in reply to one he had written the chief urging the bridging of the bay-mouth, by way of a highway with either an overpass or an underpass where it would cut through the camp ground of the D. L. Bliss State Park.

In his reply Drury made no mention of the suggestion of under- or over-pass, but stressed once more the idea of "scenic beauty being marred" by a low-level road. He also sent two photos of Emerald Bay, one as it looks now and the other with a superimposed drawing of a bridge and approach of low-level highway.

These pictures show plainly that the scenic beauty would be enhanced by the bridge, rather than being destroyed.

At the end of the meeting a resolution was adopted to urge the state division of highways to direct all their efforts toward construction of a low-level road bridging the bay. This will be sent to all state officials, including beaches and parks.

PRESENT EDITORS OF SUN START 21ST YEAR

The passing parade of progress in this area has been consistently recorded in the Sierra Sun and Truckee Republican by the present owners, Mr. and Mrs. Walter Barrett who, August 13, celebrated the beginning of their twenty-first year in the community.

With 1,040 issues of the paper printed in the two decades, a record of local happenings and development have proved an interesting one during the period of time.

Successful Food Sale Conducted By Lodge

A successful food sale was held August 10 at the Do Nut Shop, sponsored by Naomi Rebekah Lodge No. 2, following completion of plans at a recent meeting.

Laura Horman presided at the business session and refreshments were served by Ruth Gross and Georgianna King.

MAN PAYS $100 FOR FIGHTING OFFICER

William Cassidy, 32, Truckee lumber worker, was fined $120 Tuesday by Judge F. W. Wilson on a charge of being drunk and committing battery. Cassidy offered force when Deputy Sheriff Roy Waters attempted to arrest him Monday night on the drunk charge and was restrained only after the deputy retaliated with similar treatment.

Cassidy was fined $20 on the drunk charge and $100 for battery.

NEW HIGH SCHOOL PRINCIPAL ARRIVES

Charles William Sciutto, who has been principal o fthe school at Quincy for the past several years, has arrived here to take over the been principal of the school at Unified high school. He will receive a salary of $8,000 a year.

Sciutto is residing near Donner Lake with his family. He will replace Conrad Briner, vice principal under E. V. O'Rourke, who has taken a year's leave of absence to obtain a credential entitling him to be principal.

FUDAYS FETED—

Before their departure for Roseville, Mr. and Mrs. Ken Fuday were feted at a farewell party last Thursday evening, with Mr. and Mrs. Gail Brown as hosts of the affair.

STRICTLY STRICKLAND

By Bill Strickland

Quite a traveling trip is being taken by Gail Beyers, daughter of Capt. and Mrs. Harry Beyers. As I've reported earlier this summer Harry and Betty have been real busy adding on to the home they purchased recently here at Soda. Prior to all of this activity here though, the entire Beyers family started traveling and I do mean traveling.

With the completion of her first year at Willamette College in Salem, Oregon, Gail started her travels. First to San Francisco to catch a plane, not just any plane either, but a P.A.A. flight to Honolulu where she visited an Uncle for 5 days. Then on to Tokyo, Japan, for 1 day. To Hong Kong, China, for 3 days with her family who were living there at that time. From there to Bangkok, Siam, Karachi, India, Beirut, Lebanon, Frankfort, Germany and finally to London, England. After 3 weeks in London, back through, France, Switzerland and Italy on a motor bike tour. Don't know what kind of bike, but it wasn't a D.C. 6. Then back to London for a flight to New York and San Francisco and finally Soda Springs. When Gail leaves here she will go with her brother Rod and his wife, Jean, to Detroit where Rod is picking up a new car. There again, I don't know what kind, but it won't be a D.C. 6 either. Then on to New York, Washington, D. C., Philadelphia, Pa., up past Niagara Falls into Canada. Across Canada to British Columbia, down through Washington state and back to Salem in time to start her soph year at Willamette. Some vacation! Eh?

Rod will drive down to Palo Alto, where he is doing post graduate work at Stanford for his Ph.D. in chemical engineering.

A house guest of the Beyer's is Per Iversen. Per has been in Hong Kong for five years with Wallem & Co., Ltd. A Norwegian Shipping firm. He left Hong Kong last March on a tour of the far East and Europe, and finally a visit with his family in Bergen, Norway. Then a trip to New York, Reno and finally Soda Springs.

Also young Dick Beyer, a nephew from Honolulu, is here but to stay for awhile. He and Dean Beyer will enroll at Tahoe Truckee High School this fall. Dick as a sophomore, Dean a junior. Their traveling will no doubt start a little later on.

Betty will be kept busy right here at Soda, as she is going to take care of Rod and Jean's two youngsters while they are touring the East and Canada.

Capt. Harry will go to Seattle very shortly for flight training in P.A.A.'s new DC 7 C's. As soon as the big ones are put into service he will be piloting them from Los Angeles to Honolulu and ultimately from Los Angeles to Tokyo. Harry has logged over 20,000 hours of flying those big jobs so far, and still going strong.Boy, 20,000 hours is a lot of flying time. During their three years in Hong Kong, Harry's flights were from Hong Kong to Tokyo, Hong Kong to Manila, Hong Kong to Bangkok and a few from Hong Kong to Singapore. This is quite a traveling family, wouldn't you say. But, like the rest of us up here, they'll probably leave the mountains less, and less, as it starts to grow on them.

Every once in a while, we notice the mountain top dwellers pulling themselves away from their television sets and taking in the movies at Jack Neugebauers Donner Theater. Just recently we've seen Ruth Meador and Frank Cumming from Soda Springs Hotel. Also Bob and Ruby Allen who spend most of their week-ends at their place here at Soda. Betty Board, out of the Sugar Bowl with "Candy" and Bunny".

Edvi Aro has been very conspicuous by his recent absence around here. We've just found out what was going on to keep him so occupied. He's stoned up the entire rear of his house at Kingvale and you'll go a long way to find a better looking job.

Art Coulliard had a surprise visitor from St. Petersberg, Florida, when an aunt dropped in to see him. It kinda took our "Mayor" by surprise, I think, to find he had some relatives in Florida, but he was also very pleased. It was our pleasure to take them on a tour of Carson City and Virginia City which seemed to be enjoyed very much. Mrs. Lois Hack, Art's mama-in-law, is also being visited by her brother from Los Angeles.

Did you know that a big shot was a little shot who kept on shooting?

NOTICE TO VOTERS

NOTICE IS HEREBY GIVEN to the electors of the State of California that the following Bond Act will be submitted to the People of the State of California for their ratification at the next general election to be held on the sixth day of November, A.D., 1956.

FRANK M. JORDAN,
Secretary of State

FOR THE VETERANS BOND ACT OF 1956
This act provides for a bond issue of five hundred million dollars ($500,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes.

1

AGAINST THE VETERANS BOND ACT OF 1956
This act provides for a bond issue of five hundred million dollars ($500,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes.

This proposed law, by act of the Legislature passed at the 1956 First Extraordinary Session, is submitted to the people in accordance with the provisions of Article XVI of the Constitution.

(This proposed law does not expressly amend any existing law; therefore, the provisions thereof are printed in BLACK-FACED TYPE to indicate that they are NEW.)

PROPOSED LAW

An act to add Article 5f to Chapter 6 of Division 4 of the Military and Veterans Code, authorizing the creation of a debt or debts, liability or liabilities, through the issuance and sale of state bonds, to create a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans' Farm and Home Purchase Act of 1943 and acts amendatory and supplemental thereto; defining the powers and duties of said committee and of the Department of Veterans Affairs and other state officers in respect to the administration of the provisions hereof; providing ways and means, exclusive of loans, for the payment of the interest of such debt or debts, liability or liabilities, as such interest falls due, and also for the payment and discharge of the principal of such debt or debts, liability or liabilities, as such principal matures; and providing for the submission of this act to a vote of the people at the general election to be held in the month of November, 1956.

The people of the State of California do enact as follows:

Section 1. Article 5f is added to Chapter 6 of Division 4 of the Military and Veterans Code, to read:

Article 5f. Veterans Bond Act of 1956

996.45. This article may be cited as the Veterans Bond Act of 1956.

996.46. For the purpose of creating a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans' Farm and Home Purchase Act of 1943 and of all acts amendatory thereof and supplemental thereto, the Veterans' Finance Committee of 1943, created by Section 991, shall be and it hereby is authorized and empowered to create a debt or debts, liability or liabilities, of the State of California, in the manner and to the extent hereinafter provided, but not otherwise, nor in excess thereof.

996.47. After adoption of any resolution by the Veterans' Finance Committee of 1943, provided for in Section 996.54 the State Treasurer shall arrange for the preparation of the requisite number of suitable bonds in accordance with the specifications contained in such resolution. The aggregate par value of all bonds issued under this article shall not exceed the sum of five hundred million dollars ($500,000,000) and shall bear interest at a rate not exceeding 5 percent per annum payable as provided in such resolution. Both principal and interest shall be payable in lawful money of the United States, at the Office of the State Treasurer, or at the office of any duly authorized agent of the State Treasurer.

All bonds issued under this article shall bear the facsimile signature of the Governor and the facsimile countersignature of the Controller and shall be endorsed by the State Treasurer either by original signature or by a signature stamp, and the bonds shall be signed, countersigned, and endorsed by the officers who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943, and each of said bonds shall bear an impress of the Great Seal of the State of California. Interest coupons attached to each bond shall bear the facsimile signature of the State Treasurer who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943. The Veterans' Finance Committee of 1943 may require that said bonds be authenticated by the State Controller or by any Deputy State Controller, and in such event no bond authorized hereunder shall be valid unless so authenticated in the manner so required. The bonds or coupons so signed, countersigned, endorsed, and sealed, when sold, shall be and constitute a valid and binding general obligation upon the State of California, although the sale or delivery thereof be made at a date or dates upon which the officers having signed, countersigned, and endorsed said bonds or coupons, or any or either of said officers, shall have ceased to be the incumbents of the offices held by them at the date of adoption of the resolution of the Veterans' Finance Committee of 1943. Each bond issue under this article shall contain a clause or clauses referring to this article and to the resolution of the Veterans' Finance Committee of 1943 hereunder by virtue of which said bond is issued, and if subject to call or redemption prior to maturity, shall contain a recital to that effect.

996.48. The State Treasurer shall, on the respective dates of maturity or prior redemption of said bonds, or as soon thereafter as said bonds are surrendered to him, pay the same out of the proceeds of the Controller's warrants drawn in his favor as provided in Section 996.49 and perforate the bonds so paid with a suitable device in a manner to indicate such payment and the date thereof. The State Treasurer, or his duly authorized agent, shall also, on the respective dates of maturity, cancel all bonds and appurtenant coupons bearing said dates of maturity and remaining unsold, by perforation with a suitable device in a manner to indicate such cancellation and the date thereof; provided, however, new bonds may be prepared and executed in lieu of bonds canceled solely by reason of the fact that such bonds have not been sold prior to their fixed maturity dates, whenever the Veterans' Finance Committee of 1943 shall determine such new bonds shall be prepared and executed, subject to the condition the total indebtedness created hereunder shall not exceed the maximum limit herein specified. Not less than four years after the final maturity date of a particular issue of bonds, the State Treasurer, or his duly authorized agent, may destroy or cremate any bonds of such issue which have been previously paid or canceled as hereinbefore provided.

996.49. All bonds herein authorized, which shall have been duly sold and delivered as herein provided, shall constitute valid and legally binding general obligations of the State of California, and the full faith and credit of the State of California is hereby pledged for the punctual payment of both principal and interest thereof. There is hereby appropriated from the General Fund in the State Treasury such sum annually as will be necessary to pay the principal of and the interest on the bonds issued and sold pursuant to the provisions of this article, as said principal and interest become due and payable.

There shall be collected annually in the same manner and at the same time as other state revenue is collected such a sum, in addition to the ordinary revenues of the State, as shall be required to pay the principal and interest on said bonds as herein provided, and it is hereby made the duty of all officers charged by law with any duty in regard to the collections of said revenue, to do and perform each and every act which shall be necessary to collect such additional sum.

On the several dates of maturity of said principal and interest in each fiscal year, there shall be returned into the General Fund in the State Treasury, all of the money in the Veterans' Farm and Home Building Fund of 1943, not in excess of the principal of and interest on the said bonds then due and payable, except as hereinafter provided for the prior redemption of said bonds, and, in the event such money so returned on said dates of maturity being less than the said principal and interest then due and payable, then the balance remaining unpaid shall be returned into the General Fund in the State Treasury out of said Veterans' Farm and Home Building Fund of 1943 as soon thereafter as it shall become available, together with interest thereon from such dates of maturity until so returned at the same rate as borne by said bonds, compounded semiannually.

Both principal and interest of said bonds shall be paid when due upon warrants duly drawn against said appropriation from the General Fund by the Controller of the State in favor of the State Treasurer, or his duly authorized agent, and the money to be returned into the General Fund in the State Treasury pursuant to the provisions of this section shall likewise be paid as herein provided upon warrants duly drawn by the Controller. The Department of Veterans Affairs, by resolution approved by the Veterans' Finance Committee of 1943, shall direct the State Treasurer to call bonds (which are then subject to redemption) if such call is desirable and whenever funds are available to effect such redemption, the part of each issue so called to be not less than all of the bonds maturing in any one year. Notice of such redemption shall be given by the State Treasurer in the manner provided in the resolution authorizing the issuance of said bonds.

996.50. The bonds authorized to be issued under this article shall be sold by the State Treasurer to the highest bidder for cash, either at public auction or upon sealed bids as the Veterans' Finance Committee of 1943 may by resolution determine. The Treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered plus the interest which shall have accrued thereon between the date of purchaser's payment for said bonds and the last preceding interest maturity date; and the Treasurer may from time to time, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, or any part thereof offered, at such time and place as he may select. If said bonds are offered for sale upon sealed bids, then each bid shall be in writing and signed by the bidder and sealed, and shall be accompanied by the deposit of a certified check or cashier's check for five thousand dollars ($5,000), drawn on a bank or trust company authorized to transact and transacting business in the State of California, payable to the Treasurer of the State of California, such deposit not to bear interest. The deposit of each unsuccessful bidder shall be returned to him immediately upon the nonacceptance of his bid, and the deposit of the successful bidder shall immediately upon the acceptance of his bid become and be the property of the State of California and be placed in the State Treasury to the credit of the Veterans' Farm and Home Building Fund of 1943, and shall be credited to the successful purchaser upon the purchase price of the bonds bid for in case such purchase price is paid in full by him within the time mutually agreed upon between the successful bidder and the Treasurer. If the purchase price is not so paid, the successful bidder shall have no right in and to said bonds or by reason of said bid, or to the recovery of said deposit accompanying said bid, or to any allowance or credit by reason of such deposit unless it shall appear that the bonds would not be validly issued if delivered to the purchaser in the form and manner proposed. In case the purchase price is not so paid, the bonds so sold but not paid for shall be resold by the State Treasurer upon notice as provided in case of original sale.

Temporary or interim bonds, certificates, or receipts of any denomination whatever and with or without coupons attached thereto, to be signed by the State Treasurer, may be issued and delivered until the definitive bonds are executed and available for delivery. Signature of the State Treasurer may be by signature stamp.

996.51. Due notice of the time and place of sale of all bonds shall be given by said Treasurer by publication in one newspaper published in the City and County of San Francisco and also by publication in one newspaper published in the City of Sacramento and by publication in one newspaper published in the City of Los Angeles once a week during two weeks prior to such sale. In addition to the notice last above provided for, the State Treasurer may give such further notice as he may deem advisable, but the expense and cost of such additional notice shall not exceed the sum of five hundred dollars ($500) for each sale so advertised. The proceeds of the sale of such bonds and such amount as may have been paid as accrued interest thereon shall be forthwith paid over by said Treasurer into the Veterans' Farm and Home Building Fund of 1943 and must be used exclusively in aiding veterans in the acquisition of, or payments for, farms and homes, in accordance with the provisions of this chapter; provided, that the proceeds from the sale of said bonds may be used to pay the debt created by the issuance and sale thereof.

996.52. The Department of Veterans Affairs is authorized, with approval of the Department of Finance, to invest any surplus money in the Veterans' Farm and Home Building Fund of 1943 in bonds or obligations of the United States, or of the State of California, or of the several counties or municipalities or other political subdivisions of the State of California, and to sell such bonds, or obligations, or any of them, at the governing market rates, upon approval of the Department of Finance; or the Department of Veterans Affairs may, with the approval of the Director of Finance, invest money in such fund, in interest-bearing certificates of deposit of state banks having a paid-up capital of five hundred thousand dollars ($500,000) or more; provided, the total amount of money so deposited with any one bank shall not exceed a sum equal to 50 percent of the paid-up capital of such bank; provided, however, nothing herein contained shall inhibit the depositing in banks in accordance with Chapter 4, Part 2, Division 4, Title 2 of the Government Code, of money of any of the funds subject to the control of the Department of Veterans Affairs or appropriated for its use.

Interest accruing upon the deposit of money of the Veterans' Farm and Home Building Fund of 1943 shall be paid into and credited to said fund.

996.53. Upon request of the Department of Veterans Affairs, supported by a statement of the plans and projects of said department with respect thereto, and approved by the Governor, the Veterans' Finance Committee of 1943 shall determine whether or not it is necessary or desirable to issue any bonds authorized under this article in order to carry such plans and projects into execution, and, if so, the amount of bonds then to be issued and sold. Successive issues of bonds may be authorized and sold to carry out said plans and projects progressively, and it shall not be necessary that all the bonds herein authorized to be issued shall be sold at any one time.

996.54. Whenever the Veterans' Finance Committee of 1943 shall have determined that the sale of all or any part of the bonds authorized to be issued under this article is necessary or desirable to carry such plans into execution, in whole or in part, it shall adopt a resolution to this effect. The said resolution shall authorize and direct the State Treasurer to provide for the preparation of the requisite number of suitable bonds then authorized to be sold and shall specify as to such bonds then to be sold:

1. The maximum number of each denomination or denominations, aggregate par value, and the date of the bonds to be then sold. The date appearing on said bonds shall be deemed to be the date of issuance for all purposes of this article, irrespective of the actual date of delivery of such bonds and the payment of the purchase price thereof. Successive issues of bonds herein authorized shall be identified by the number of the issue, or the entire authorized issue may be divided into series or divisions appropriately identified by letter or number.

2. The date or dates of maturity, and the number and numerical sequence of the bonds maturing at each date of maturity, to be at annual intervals.

3. The provisions, if any, for the retirement of said bonds at any time or times prior to their maturity, the manner thereof, and the price or prices at which said bonds shall be redeemed.

4. The annual rate of interest which the bonds to be issued shall bear, to be in multiples of one-fourth of 1 percent, which rate, at the discretion of said committee, may be determined by the bidder at the time of sale of said bonds, not to exceed 5 percent payable as herein provided.

5. The provisions, if any, for the interexchange of bonds of different denominations, the issuance of new bonds of different denominations in lieu of, or in exchange for, bonds of a like aggregate principal amount but of different denominations, and the authentication of any bonds by the State Controller or by any deputy state controller.

6. The technical form and language of said bonds and of the interest coupons to be attached thereto.

In determining the date or dates of maturity of the said bonds and the amount of bonds maturing at each date of maturity, the Veterans' Finance Committee of 1943 shall be guided by the amounts and dates of maturity of the revenues estimated to accrue to the Veterans' Farm and Home Building Fund of 1943 from the transactions to be financed by each issue, and shall fix and determine said dates and amounts in such manner that, together with the dates and amounts of interest payments on the said bond issue, they shall coincide, as nearly as practicable, with the dates and amounts of such estimated revenues; provided, the bonds first to mature in each issue shall mature not later than five years and the bonds last to mature in each issue shall mature not later than 45 years from the date of issuance thereof.

The rate of interest to be borne by the bonds need not be uniform for all bonds of the same issue or series or division, and may be determined and fixed by the Veterans' Finance Committee of 1943 by resolution adopted at or after the sale of said bonds, but not exceeding in any case 5 percent per annum payable semiannually. The highest bid received on the sale of the bonds shall be determined by deducting the total amount of the premium bid (if any) from the total amount of interest which the State would be required to pay from the date of the bonds or the last preceding interest payment date, whichever is latest, to the respective maturity dates of the bonds then offered for sale at the coupon rate or rates specified in the bid, and the award shall be made on the basis of the lowest net interest cost to the State. The lowest net interest cost to the State shall be computed on a 360-day year basis. The interest coupon first payable may, if the Veterans' Finance Committee of 1943 shall so determine and specify, be payable at any time within one year after the date of issuance of said bonds.

996.55. All actual and necessary expenses of the Veterans' Finance Committee of 1943 and of the members thereof incurred in the performance of their duties arising out of the provisions of this article and expenses incurred by the State Treasurer in having said bonds prepared and in advertising their sale or their prior redemption shall be paid out of the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

Whenever the Veterans' Finance Committee of 1943 deems it advisable to obtain a legal opinion as to the validity of the bonds, prior to or after sale, from attorneys other than the Attorney General, the committee may authorize the State Treasurer or the Department of Veterans Affairs or both to obtain such a legal opinion. Payment for such legal services shall be made from the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

996.56. The Controller, the Treasurer and the Veterans' Finance Committee of 1943 shall keep full and particular account and record of all their proceedings under this article, and they shall transmit to the Governor an abstract of all such proceedings thereunder, with an annual report, to be by the Governor laid before the Legislature biennially; and all books and papers pertaining to the matter provided for in this article shall at all times be open to the inspection of any party interested, or the Governor, or the Attorney General, or a committee of either branch of the Legislature, or a joint committee of both, or any citizen of the State.

996.57. So long as any bonds authorized under this article may be outstanding, the Director of the Department of Veterans Affairs shall cause to be made at the close of each fiscal year, a survey of the financial condition of the Division of Farm and Home Purchases, together with a projection of the division's operations, such survey to be made by an independent public accountant of recognized standing. The results of such surveys and projections shall be set forth in written reports and said independent public accountant shall forward copies of said reports to the Director of the Department of Veterans Affairs, the members of the California Veterans Board, and to the members of the Veterans' Finance Committee of 1943. The Division of Farm and Home Purchases shall reimburse said independent public accountant for his services out of any funds which said division may have available on deposit with the Treasurer of the State of California.

Sec. 2. This act shall take effect upon its adoption by the people as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

Sec. 3. This act shall be submitted to the people of the State of California for their ratification at the next general election, to be held in the month of November, 1956, and all ballots at said election shall have printed thereon and in a square thereof, the words: "For the Veterans Bond Act of 1956," and the same square under said words the following in eight-point type: "This act provides for a bond issue of five hundred million dollars ($500,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes." In the square immediately below the square containing such words, there shall be printed on said ballot the words, "Against the Veterans Bond Act of 1956," and in the same square immediately below said words, in eight-point type shall be printed "This act provides for a bond issue of five hundred million dollars ($500,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes." Opposite the words "For the Veterans Bond Act of 1956," and "Against the Veterans Bond Act of 1956," there shall be left spaces in which the voters may place a cross in the manner required by law to indicate whether they vote for or against said act, and those voting for said act shall do so by placing a cross opposite the words, "For the Veterans Bond Act of 1956," and those voting against the said act shall do so by placing a cross opposite the words "Against the Veterans Bond Act of 1956." Provided, that where the voting of said general election is done by means of voting machines used pursuant to law in such manner as to carry out the intent of this section, such use of such voting machines and the expression of the voters' choice by means thereof, shall be deemed to comply with the provisions of this section. The Governor of this State shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

Sec. 4. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at said election as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the Governor shall make proclamation thereof; but if a majority of the votes cast as aforesaid are against this act then the same shall be and become void.

Sec. 5. It shall be the duty of the Secretary of State to disseminate information relative to this act in accordance with Section 1, Article XVI of the Constitution. The costs of publication shall be paid out of the Veterans' Farm and Home Building Fund of 1943.

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

Rotary Club

The past week's regular Rotary meeting was held at Camp Noel Porter, in the forest just west of the Episcopal Chapel on Highway 89. At the luncheon 74 Rotarians were served family style at the long tables, with Bishop Porter acting as host. Forty-four of the Rotarians were visitors from other clubs, three of them from other states. The out-of-state visitors included Walter D. Johnson of Las Vegas, Nevada, Bob Osborn of West Seattle, Washington and Barron H. Moss of Alencoe Ill.

Speaker on the occasion was Bishop Porter, who has been pastor of this church district for the past 23 years, or since its beginning. The bishop is also sponsor of the boys' and girls' camp named after him, which has grown at a surprising rate during the five years of its location here. At this meeting the Tahoe City Rotary Club donated more than $200 toward the continued improvements at the camp.

The Bishop spoke of the development of the rock-walled outdoor Chapel of the transfiguration during the 23 years since it was built, and of improvements on its spacious grounds. He said his congregation have always been cosmopolitan, consisting of all denominations, as well as the greater numbers being non-church members, who have always donated largely to the facilities in general.

Bishop Porter said that he will retire permanently from his lifelong partorship within the year. A new home is now being built for him in the vicinity of the former pastoral residence. Construction of a new country home for Bishop and Mrs. Noel Porter was started more than a year ago, and is now nearing completion. It is situated among the low green hills in the Sutter Creek vicinity.

Work Progresses

Construction work is progressing normally at the site of the Pacific Telephone and Telegraph's giant dial system project in Tahoe City, where it is being built under the management of Contractor Alfred J. Hooper, Inc. of Oakland. The deep-laid foundations of the huge structure have been completed this week, and the crew has now started installment of the steel meshing for the heavy cement floors. Other work under way on the project includes the laying of water pipes and gas lines throughout the building. When completed the massive structure will cover most of the space of two 50 by 100 ft. lots, except what is required by the new ruling for the purpose of off-street parking. The builders say they expect to have the whole interior under protective covering before winter weather sets in.

Dvelopment

Mr. and Mrs. Charles P. Beardsley, Tahoe Relators, and their associate, Mrs. Virginia Kiser Morrom, are beginning this week to develop the north half of the new Bunker homesite tract among the hills just north-west of Tahoe City. An old road for many years known only as the reservoir trail, leads past the water tanks and circles this tract, connecting at each end with Fairways Drive. This horseshoe curve of road is presently being graded to a fifty foot width along at least half its length, or approximately 1370 feet. Following the gradeing the water main is to be laid connecting with each of the improved lots. The whole Bunker tract was formerly a subdivision laid out in 1946 by the late Jerome E. Barrieau. It was later sold to the present owners by Mrs. Barrieau.

Social Gathering

On Saturday evening at Chinkapin Cove, former summer home of the late Mrs. John Drum, a social gathering took place in the form of a masquerade ball, with John Drum Jr., up from his valley ranch home to act as host of the evening. More than 150 guests filled the great main room which was used as ball room, many of them well known summer residents of the southwestern lakeshore

Leave on Trip

Mr. and Mrs. Floyd Carnell of this city left during the past week for a lengthy midsummer vacation trip, planning to motor practically the length of the continent. They expected to drive well into British Columbia, and later to visit Banff Alberta, in the Canadian Rockies. On their way home they planned to stop off for a short stay at Jackson Hole, Wyoming.

Enjoy Visit

Mr. and Mrs. Gordon Cannon, formore Tahoe residents, with their three young sons, were up during the past week fro mtheir lowland home to enjoy a trailer camp vacation beside the lake, and indulge in the best of the summer fishing. Mrs. Cannon is the former Virginia Greene, daughter of Glenn Greene, who in past years operated the Tahoe Tavern when Matt Green, a well known Tahoe pioneer, owned that popular resort. Mrs. Cannon brought word of her father to his many friends here, saying that he is now enjoying the best of health, and is at present managing the California Hotel in Sacramento for Matt Green, who is presently the owner. Matt Green is now retired, at the age of 80, and only recently suffered a severe fall, in which one or two bones were broken. He is reported recovering nicely.

Plan Lake Trip

Envelopes are being issued this week from the Tahoe post office, bearing the Pony Express cachet seal, as souvenir items of the Western States Trail Ride Inc. which is being put on within the week by the newly formed California-Nevada organization with head quarters in Reno. The organization was formed to preserve and continue the use of horseback historic trails of the pioneers over the Sierra Nevadas.

The horseback riders participating in the full trip will leave Reno at 7 a.m. on August 17th, riding over the range to Tahoe Valley and on to Tahoe City. From here they will ride down the Truckee river, up through Squaw Valley and over the old Donner Trail, where pioneer R. M. Watson took his last horseback ride, and down through the American river country to Auburn.

REGATTA SUNDAY AT CHAMBERS AS CLUB NAMES HEADS

CHAMBERS LODGE— The annual luncheon meeting of the Lake Tahoe Yacht Club will be held Saturday at Chambers Lodge at which time officers for the coming year will be elected. Mrs. Wilbur Miller is the luncheon chairman.

Sunday the regatta will be held at Chambers pier starting at 9:30 a.m. following the junior outboard races at 9 a.m. The races are for members only except for the hydroplanes which is open to the public.

Trophies for the regatta are on display at Chambers Lodge pier and the commodore's prepetual cup will be awarded for the most accumulated points by Commodore R. Randolph Walker.

J. Allen Bray is chairman of the regatta and other committee members are J. Phillip Murphy, A. G. Steltzner, J. Carroll Skinner, Dick Steltzner and Stanley Good, Jr. Fred Main and Commodore Walker will be the announcers and Skinner will be the starter.

JUNIOR RODEO HELD AT SQUAW VALLEY

SQUAW VALLEY— There was plenty of excitement Sunday when the Squaw Valley Junior rodeo was held, featuring two groups, one ranging from 8 to 10 years and the second from 11 to 16.

Winners in the obstacle race in Group 1 were Bobby Burnham, Steve Topal and Chris Schickler; Group 2: Pieter Myers, Justice Cushing and Mike Burke.

In the pair class in Group 1, Bobbie Korngold and Steve Topal were first, Bonnie Burnham and Merile Meek, second and Steve Topal, third. In Group 2, Linda Reiss and Lily Cushing were first; Clark Burnham III and Wayne Poulsen, second, and David Hansen and Charles Hall, third.

In bridle and saddle, Bonnie Burnham, Charles Arolla and Robbie Korngold inished in that order in Group 1 while Clarke Burnham III, Moira Burke and Pieter Meyers were winners in Group 2.

The potato race was won in Group 1 by Steve Topal, Bobby Burnham and Hugh Barrett, while Justine Cushing, Mike Burke and Clarke Burnham III were Group 2 winners.

Group 1 calf winners were Lance Poulsen, Bobby Burnham and Charles Arolla, with Mike Burke, Clark Burnham III and Pieter Myers winners in Group 2.

Bareback riding winners in Group 2 were Jill Titus, Steffie Firpo and Justine Cushing.

Bobby Burnham and Justice Cushing were pronounced the winning cowboy and cowgirl for the event.

State Approves Pay For Truckee Crossing Work

SAN FRANCISCO— The California Public Utilities Commission today allocated $4428.36 to the County of Nevada to pay one half the county's share of costs for improved warning signals at the Bridge Street crossing of the Southern Pacific Company tracks in Truckee. Two were injured in seven accidents at the crossing during the past 10 years, according to commission records.

Two flashing light signals equipped with two-train indicators have been installed at the crossing to replace two fixed wooden crossing signs.

The County of Nevada agreed to pay half the cost of the improved protection and the raildoad half. The public utilities commission may allocate up to one half of the county's share from the crossing protection fund created by the legislature in 1953. Total cost of installation was $17,713.44.

Tahoe Items

Ralph D. Lanhan Jr., 17 years old of Kings Beach enlisted in the U. S. Navy at Reno, last week.

Henry Jacobsen, president of the Sugar Bowl Ski Club was married on Saturday to Sue Ann McNiel in St. John of Galilee Chapel at Lake Tahoe.

Dr. and Mrs. Ralph Soto-Hall of San Francisco have been vacationing at their Lake Tahoe place. While here their city house was reported ransacked by burglars.

The Western Merchandise Mart at San Francisco is the largest west of Chicago.

Fresno County's 1954 mineral production was valued at $115-192,747.

With the new Chevron Pressure Primer System on your tractor, truck, or other heavy duty equipment, it takes just two or three seconds to get fast, sure starts. Chevron Priming Fuel in handy, small pressurized steel cartridges, a simple discharger mounted near driver, and a few feet of tubing make up the easy-to-install Chevron Pressure Primer System.

A one-man operation, the Chevron Pressure Primer System is safe and economical, costs just a few pennies per start. And it more than repays its low cost by saving your batteries and reducing crankcase dilution.

To avoid ice-clogged fuel lines, be sure to add a little Chevron Ban-Ice® fluid in your engine fuel tank.

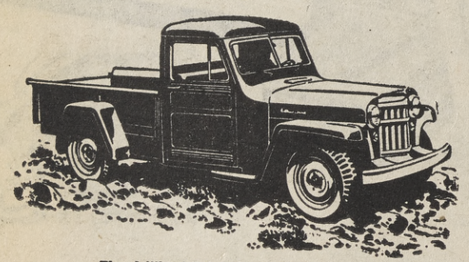
WHICH 4-WHEEL-DRIVE 'JEEP' VEHICLE IS RIGHT FOR YOU?

The Universal 'Jeep'... the world's most useful vehicle

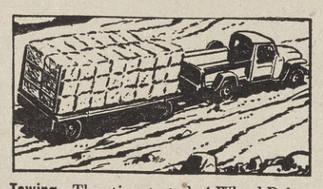


The 4-Wheel-Drive 'Jeep' Truck... time-tested and performance-proved

The 'Jeep' Utility Wagon... dual purpose vehicle for business and pleasure

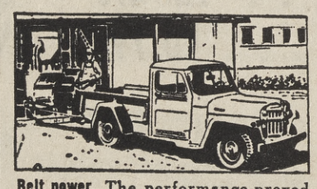
They all have features that save you *time* and *money* on job-after-job!

Traction plus. With the extra tough-job traction of its 4-wheel drive, the 'Jeep' takes men and equipment through mud, sand, soft earth or up 60% grades.

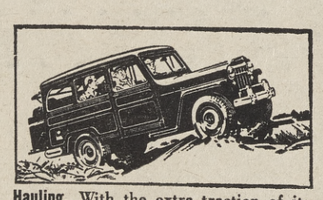


Towing. The time-tested 4-Wheel-Drive 'Jeep' Truck tows heavily loaded trailers on or off the road, carries payloads 63% of its own curb weight.

Power. With power take-off, the Universal 'Jeep' takes power where it counts, in good weather or bad, to operate trenchers and other equipment.



Belt power. The performance-proved 'Jeep' Truck, with power take-off, also provides mobile power to operate hammermills and other belt-driven equipment.



Hauling. With the extra traction of its 4-wheel drive, the 'Jeep' Utility Wagon carries six passengers or 110 cubic feet of bulky cargo virtually anywhere.

Hydraulic lift. The 4-Wheel-Drive 'Jeep', with hydraulic lift, operates graders, scrapers, post hole diggers and most 3-point hitch farm implements.

Transportation. The double duty 'Jeep' Utility Wagon serves as a family passenger car that carries six adults in roomy comfort, on or off-the-road.

Functional design. High-skirted fenders, weather-proof safety step and full-opening hood make the 'Jeep' Truck easier to operate and maintain.

The 'Jeep' family of 4-Wheel-Drive vehicles

WILLYS... makers of time-tested 4-Wheel-Drive vehicles

Ask for a demonstration today of the 'Jeep' vehicle that best fits your needs!

Jeep Vehicle Owners; See us for a Top Dealer Trade-In Now ... And For Genuine "Jeep" Parts And Authorized Service.

TWO ARE FINED IN HIT-RUN ACCIDENTS

KINGS BEACH— Mildred Barbara Morgan of Las Vegas who was arrested by Patrolman Martin Sturcke on a hit and run charge following an accident just west of the California state line at Brockway, was fined $236 when she appeared before Judge Harry Charrison Monday.

James Ely Harris of Truckee, cited on a similar charge by Patrolman E. R. Meixner following a collision on the Brockway cutoff last week, pleaded guilty before Judge Charrison and was fined $420.

LAKE LEVEL

TAHOE CITY— Three gates were open Monday and the level of Lake Tahoe stood at 622.8.80, Art Frodenberg, cooperative observer, reported. The temperature at Tahoe City has ranged from a high of 76 to a low of 39 during the week.

The H. H. Hull family, formerly of Tahoe City has moved from Sebastopol to Sacramento.

ORDERS SIGNED TO CLEAR CLAIM CASES

AUBURN— Superior Judge Leland J. Propp has signed orders for the settlement of two civil suits which arose from an auto-pedestrian accident two years ago.

The orders allow Michael Kenny of San Francisco, $18,350 for his son, John, 7 and Mrs. Florence Dixon of Los Altos to receive $2,500 for her daughter Maureen, 7, from Mrs. Helen D. Duffy of San Francisco.

The suits filed against Mrs. Duffy asserted she struck the children with her automobile on State Route 89 near Lake Tahoe, Placer County, September 6, 1954. Kenny originally asked $50,000 and Mrs. Dixon sought $20,000.

AID TO NEEDY IN COUNTY DECLINES

In Nevada county, the number of people receiving the county-administered and county-financed direct general home relief went down 46 percent, May compared with January of the current year, California Taxpayers' association reported today.

At the same time, the number on the aid to the needy aged rolls in the county went down 4 percent, the number of aid to dependent children went down 7 percent, and the number of people on the aid to the blind rolls went down 6 percent, the taxpayers association said.

In May, there were 69 people in the county on the entirely county-financed and county-administered direct general home relief rolls, compared with 128 for January, the association found.

Needy aged rolls in the county for May included 865 people, compared with 902 for January.

There were 339 people (children and adults) on the aid to dependent children rolls of the county for May, compared with 365 for January.

Aid to the blind rolls of the county showed 30 people for May, compared with 32 for January.

State-wide, general home relief rolls were 23 percent lower for May than for January, with 49,386 people receiving this kind of relief for May, 1956, compared with 64,252 during January.

SUIT FILED

NEVADA CITY— A suit for $72,000, general damages plus medical and incidental expenses has been filed in the Nevada County Superior Court by Stephen John Gillon against Ralph Le Bard, et al.

The suit charges that on July 23, 1956, while Gillon was a passenger in an automobile driven by Le Bard, the defendant drove in such negligent manner as to cause collision with another vehicle two miles east of Truckee, causing serious injuries to the plaintiff.

NO CHARGE FILED IN HOTEL FIGHT DEATH

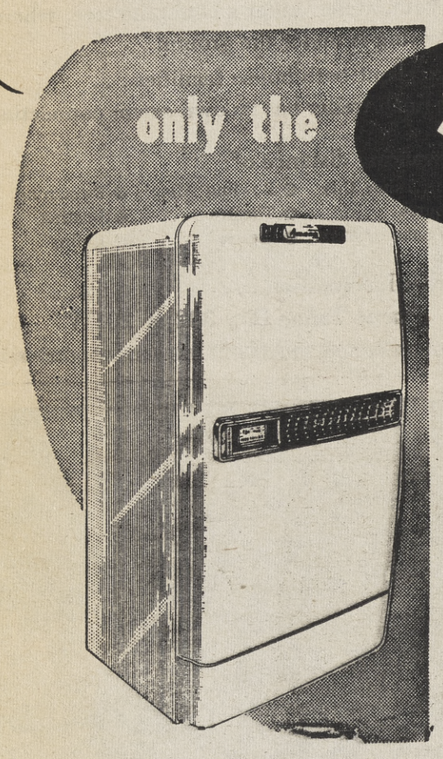
RENO— No charges will be filed against a 20-year-old San Francisco railroad fireman involved in a night club scuffle that resulted in the death of an elderly Lovelock resident, Assistant District Attorney William Raggio said today.

The fireman, Raymond J. Stevens, had an altercation with Felix Turrillas Sr. during a floor show at the Riverside Hotel. Turrillas, 67, suffered a basal skull fracture, and died at Washoe Medical Center Tuesday.

Raggio termed the affair "an unfortunate incident."

He said Turrillas, attending a wedding party for his daughter, scuffled with Stevens after the latter asked him not to talk so loudly during the floor show.

Raggio said his investigation showed that Turrillas had been "noisy and bothersome" during the show. The elderly, well-to-do man, Raggio said, "became incensed and provoked the argument that ensued."



has these features . . .

- The "stor-mor" Door —holds a full month of meals

plus
- Automatic Food Servers
- Automatic Inventory Control
- Adjustable Food Holders
- Full Vision Light
- Ice Cream and Dessert Bar
- Left-over Shelf with colorful plastic containers

and
- Amana's new Service Shelf makes storing and removing foods easier.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Five Thousand

Five thousand dollars— Imagine that amount being handed to you for nothing. That is just what happened at Joby's Monte Carlo last Friday night, when Dr. Theodore Pappas of San Francisco was the winner of the cover all game of bingo. The club was literally packer from the roof to the floor, even the Doc was sitting on the floor. I had the pleasure of assisting Mel Rose, the regular bingo announcer, call the numbers which gave the five thousand away.

Birthday

The Fred Schultz' of Kings Beach had as their guests last Friday Robert and Gwen Robinson, owners of the Pine View Motel. Bob is now with Placer county working with Frank Wagner.

Better

Visited with Steve Riolo last Saturday and was agreeably surprised to find him around his restaurant doing light jobs. Steve says he is beginning to feel more like his old self. Helen says business at the club is very good.

Party

A wonderful dinner party was held on the palacial grounds of the Wally Skaggs (Silver Tip Lodge) during the past week. Those attending were Mrs. Francis Phillips of Laguna Beach, Mrs. Laura Aull, Hollywood; Mr. and Mrs. Clayton Long and Mr. and Mrs. Andy Anderson, El Centro, Mr. and Mrs. Vern Spices, Penny and Laurie of Reseda, and Mrs. Harry Haver of Phoenix, Arizona and we folks.

Cutest Name

Wendell and Lorna Russell who have just finished a beautiful motel in Tahoe City, have given it the cutest name "Russell'n Pines" It is surely a beauty and has been filled up already.

New Business

Irv Graham of Kings Beach who is in the TV business tells us that he has been awarded the Westinghouse Agency for the North Tahoe area and will be a resident of the north side all year around. Residents are elated that the new channel is in operation. It will certainly be a boon to the people that stay in all winter.

Oh, Shoot

William F. Hoofer, our friend from Pasadena, and a good marksman, was successful in winning the two-man team championship at the skeet shoot held at Harold's Trap Shoot Country Club during the past week. Bill also won the Western Open Class C championship, winning a beautiful cup and silver plate, and also cash in the amount of $144. Bill attributes his success to his beautiful wife Betty, who attended each shoot, rooting for her handsome husband at each shot. Bill is a member of the San Gabriel Gun Club.

Coming Home

Glad to report that young Larry Free is coming along very well. His leg and shoulder have been set and there is a good possibility that he will be home this week, maybe before this issue is out, we hope so. Anyway, it has been quite a trial for him and his mother and dad.

Visitors

Arnold and Sophie Miedema are up here for a short stay. They are presently living at San Pedro. John Koontz, secretary of state for the State of Nevada, was a visitor over the weekend. Angelo Chiaratti, our Deputy Sheriff and Mrs. Chiaratti who will, by the way, be here all winter, had as their guests Mrs. Chiaratti's sister and her husband. Burt and Mrs. Fulgham of Sacramento.

Birthday, Etc.

Bob and Jenny Frye of Pasadena are up for a vacation and are staying at the Sun 'n Sands in Kings Beach. They are regular visitors at the lake. They are friends of the Wyman Williams and, by the way, young Randy Williams, eldest son of Wyman and Beverly Williams had a real birthday party last Monday, with oodles of beautiful presents and toys. The young man was in his glory, his real day was August 10th but they just had to wait for his grandma and grandpa, Arnold and Sophie Miedema, to arrive for the occasion. The biggest attraction was a cake made to represent a merry-go-round. Moving pictures were taken, so it will be something to look forward to to see them shown.

EXAMINATIONS FOR STATE PATROL TO BE HELD OCTOBER 13

Young men interested in a law enforcement career as state traffic officer with the California Highway Patrol will have an opportunity to participate in a statewide civil service examination for these positions this fall, the state personnel board announced today.

The general increase state employees received July 1, 1956, raised the salary range for State Traffic Officers to $395-$481 per month, with regular annual increases subject to satisfactory performance.

Applicants must be United States citizens and residents of California for at least one year prior to the examination date.

Other requirements are: graduation from high school, sound physical condition, strength, endurance and agility; height not less than 5' 9" and not more than 6' 6"; normal vision and hearing.

The competitive examination will include a written test, a physical performance and vision test, a medical examination and a personal interview.

The examination date has been set for October 13, 1956, but official applications must be filed not later than September 14, 1956.

INCREASE SEEN IN PLACER TAX RATE

AUBURN— Placer County faces a general county tax rate of $1-.7016, an increase of 12 cents, for 1956-57 if the supervisors adopt the tentative budget they have directed County Auditor William R. Stephens to prepare.

The rate for 1955-56 was $1.58 on $100. The 1956-57 figure is based on the assumption the public utility rolls set by the state board of equalization will not fall below those of the previous year. They have not been received.

The total county budget, including schools, is $10,405,358.95 of which $3,876,733.67 will be raised by county and district taxation.

Insurance Companies To Pay State Big Sum

SACRAMENTO— The 622 insurance companies authorized to do business in California in 1955 will pay over 42½ million dollars of insurance premium taxes this year into the state general fund as a result of assessments made today by the state board of equalization. This is an increase of $3,440,000, or 9 percent, over last year's figures, according to Paul R. Leake, chairman of the board.

Almost two-thirds of the taxes were assessed against the 537 insurers who wrote fire, automobile, health accident, workmen's compensation, and other casulty policies. This group of underwriters collected $1,390,688,000 in premiums on such policies in 1955 and returned $213,197,000 to their clients in policy dividends and unearned premiums. The tax levied on their net collections was $26,883,000, an amount that exceeds last year's levies by 6.8 percent.

New County Health Office Is Opened At Nevada City

GRASS VALLEY— The recently approved Nevada County Health Department has started work in the basement of the Grass Valley Public Library.

The department, a combine of the county health department and the state health department, was approved by the county supervisors recently in setting up the budget for the coming fiscal year.

On the opening day of the staff consisted of Dr. George A. Foster, Nevada County health officer; M. F. Winans, sanitarian and field man and Mrs. Marian McDonald, secretary.

A suboffice will be established in Truckee at the Veterans Memorial Building for the east end of the county and will be staffed with a sanitarian and nurse, with Dr. L. D. Nelson as health officer for that part of the county.

BAY BOY IMPROVES AT HOSPITAL HERE

Timothy McAteer, 11, son of Supervisor and Mrs. J. Eugene McAteer of San Francisco is suffering from polio and encephalitis but is recovering nicely at the Tahoe Forest Hospital, Dr. L. D. Nelson reports.

The parents of the boy, who was stricken while vacationing at the family home at Lake Tahoe, are here to be with him and have expressed appreciation for the treatment he is receiving at the local hospital.

The combination of the two diseases is very rare and fortunately both are mild, attendants report.

ACCUSED DRUNKS KEEP OFFICERS BUSY

Violators of the county sobriety ordinance had a bad week, according to Deputies Roy Waters and Emery Lander who arrested half a dozen.

Calvin Johnson, 59, Truckee, and William C. Hoper, 45, were given 10-day suspended sentences while Jackie Robertson, 42, Los Angeles and Melvin Badsgard, 48, Los Angeles were given 10 day jail terms. John Parkman was retained here for Placer County on a drunk charge and Jasper Johnson, 42, Sacramento was also being held.

Ovid Wickham, 27, was held for Shasta County on a warrant charging him with failure to support minor children. He was released on $500 bail by Judge Fosten Wilson.

SKI CLUB BARBECUE SET FOR AUGUST 19

The Squaw Valley-Lake Tahoe Ski Club will hold a beef barbecue on Sunday, August 19 between the hours of 1 and 4 o'clock at the Henry Jacobsen, president of the will be personally prepared by one of the club's enthusiastic members, Pete Heuga.

The organization hopes to have an extensive junior skiing program to prepare for the Junior Nationals scheduled to be held in the Reno Ski Bowl next February, the proceeds of the al fresco affair going to defray expensse of the young skiers.

Tickets for adults are $2.50, and childern are half price. Blanche Donaldson of Tahoe City is the president of the club this year.

TAHOE OFFICER IS GIVEN SERGEANTCY

AUBURN— John Rabska, in charge of the sheriff's office at Lake Tahoe, has been promoted to the rank of sergeant, Sheriff William Scott announced.

Scott also revealed that a $50 a month subsistance allowance for officers at the lake had been approved by the board of supervisors. Affected are Rabska and Deputy Angelo Chiaratti.

The extra allotment is allowed by most counties to officers living away from home, Scott explained and helps the deputies meet the higher cost of living at the lake.

THIS WEEK MARKS FIRE ANNIVERSARY

This date marks the 75th anniversary of one of the most disasterous fires in Truckee's firey history.

On this date, according to the Sacramento Bee's 75 years ago Column, the entire business district of Truckee was destroyed by fire. It was the fifth time in the history of the community that that section burned.

The fire started at the west end of Front Street and burned its entire length. Many buildings considered fireproof were destroyed. Damage was estimated at $500,000

The fire broke out at 10:15 at night and raged until 4 o'clock the following morning. The water supply gave out at about 2 o'clock. Temporary buildings were being erected as fast as lumber could be hauled into the town.

Construction Value Of Roads Hits High Record

SACRAMENTO -(CNS)— George T. McCoy, state highway engineer, announced construction value of highway projects underway in California hit a new high this week of $321,328.000.

A total of 362 contracts were underway as of July 31. The previous high was set just a month earlier when 344 worth $314,660,000 were under construction.

AT Lake—
Mr. and Mrs. Carl Smith of San Francisco are vacationing at Donner Lake

See Follies—
Mrs. Stanley Zwarg and Mrs. Lawrence Frey attended a week of instruction on nutrition at San Jose State College. The visit was shared by Dorothea and Varien Frey at the home of Mr. and Mrs. William Frey at San Jose. The group later attended the Ice Follies at San Francisco.

Tarzan

by EDGAR RICE BURROUGHS®

FENRIS SNARLED HELPLESSLY THROUGH PARALYZED JAWS, UNABLE TO RESIST THE FURY OF THE JUNGLE LORD!

MANY TIMES TARZAN SLASHED DOWN WITH HIS GLEAMING KNIFE-- STOPPING ONLY WHEN THE GIANT WOLF QUIVERED AND COLLAPSED TO THE FLOOR!

THEN, THE TERRIBLE CRY OF THE BULL APE RESOUNDED TO THE STARTLED EARS OF THE VIKINGS!

"PROBABLY THE DEATH THROES OF OUR VICTIM," LOKI SAID HESITANTLY. "NO!" GASPED BALDAR. "THERE HE IS!"

LOKI ANGRILY TURNED TO THE APE-MAN. "GO BACK, YOU FLEEING COWARD-- YOU MUST TRY TO KILL FENRIS!"

"BUT I DID," REPLIED TARZAN, QUIETLY. "AND HERE IS YOUR PROOF-- ITS TAIL!" 8-19-1328

HIGH ON A CRAG OVERLOOKING A BARREN MOOR THERE GLOWS FOR THE FIRST TIME IN 200 YEARS THE RALLYING FIRE OF THE CLAN McBAGPIPE!

AYE, IT'S EVERRY LIVIN' McBAGPIPE IN THE WORRRLD THAT WE'RRRE SUMMONIN' FOR THE CLAN MEETIN'!!

EVEN HAGGIS McBAGPIPE, ALTHOUGH HE'S DESERTED THE CLAN SINCE HE LEFT FOR OTHERRR PARRRTS! AYE, EVEN HIM!!

BUT HOW WILL WE GET WORRRD TO HIM IN TIME FORRR THE MEETIN'?

IT'S CLEARRR THAT' YE'VE NEVER HEARRRD O' THE McBAGPIPE BAGPIPE. LISTEN, LADDIE!!

GOT AN EARACHE, HAGGIS?

IT'S THE McBAGPIPE BAGPIPES THEY'RRE BLOWIN'--THE (GASP) CALL THAT NO LIVIN' McBAGPIPE EVERRR IGNORRRES!!

AYE, AULD FRIEND, YE'VE GOT T'COME WI' ME! I'LL (CHOKE) PAY ALL EXPENSES-- WITHIN' REASON! SAY YE'LL COME!

KEERECT, HAGGIS, OLD PAL. AN OFFER LIKE THAT I CAN'T TURN DOWN!

HOW COME THEY'RE CALLIN' THE CLAN TOGETHER AFTER ALL THESE YEARS, HAGGIS?

IT'S (SHUDDER) PRRROBABLY A DIRRE EMERGENCY, BATHLESS-- ONE THAT THRRREATENS THE LIFE OF EVERRY LIVIN' McBAGPIPE!!

IT'S THE GHOST OF ANGUS McBAGPIPE THAT'S SUMMONED THIS CLAN TOGETHER--- HE'S WALKIN' AGAIN AND THERE'S ONLY ONE WAY T'SATISFY HIS DEMAND!

I'VE (GROAN) GOT A TERRRIBLE FEELIN' DEEP IN THE PIT O' MY STOMACH, BATHLESS!

PROBABLY SOMETHING YOU ET, HAGGIS!

ADMIRAL BYRD -- AT THE AGE OF 14 *TRAVELED AROUND THE WORLD ALONE!*

SO BENEFICIAL IS THE MANTIS IN THE DESTRUCTION OF CROP INSECTS THAT SOME STATES *PROTECT THEM BY LAW!*

BECAUSE OF THE TRADITIONAL STORY THAT WHEN THE LAST OF THE BARBARY APES THAT ROAM GIBRALTAR LEAVE THE ROCK, IT WILL CEASE TO BE A BRITISH POSSESSION, DURING WORLD WAR II, WINSTON CHURCHILL PERSONALLY ORDERED THAT ADDITIONAL APES BE FLOWN IN FROM NORTH AFRICA TO REINFORCE THE POPULATION!

IN THE EARLY DAYS OF BASEBALL, IT WAS THE **BATTER** THAT CALLED THE PITCH— INDICATING WHERE HE WANTED THE BALL THROWN!
